

EXPLORATORY LATIN EXAM

for Grades 3 through 6

The Classical World has always been a source of amazement and inspiration for students at the elementary school level. In order to recognize and celebrate this interest, ETC (Excellence Through Classics for Elementary and Middle School Levels) is sponsoring the Exploratory Latin Exam for Grades 3 through 6, an age-appropriate national evaluation. ETC is making all attempts to acknowledge the diversity of the existing exploratory programs throughout the country and to focus upon common elements rather than to mandate course content. This exam is *not* designed for students qualified to take the National Latin Exam.

The Exploratory Latin Exam will focus upon the topics listed below. While grammatical forms will not be tested, students should be able to recognize vocabulary in grammatical context.

<i>Animals</i>	<i>Derivatives</i>	<i>Housing / Life</i>	<i>Number Names</i>
<i>Art / Architecture</i>	<i>Entertainment</i>	<i>Mottoes / Expressions</i>	<i>Oral / Classroom</i>
<i>Body Parts</i>	<i>Family Members</i>	<i>Mythology</i>	<i>Roman Numerals</i>
<i>Colors</i>	<i>Geography/History</i>	<i>Nature</i>	<i>Translation</i>

The exam consists of thirty multiple-choice questions.

This exam may be administered at any point from October 1, 2003, through April 15, 2004. However, teachers must return completed exams within one week of each administration. Results from all exams, regardless of administration date, will be sent in May 2004. All participants will receive certificates, and the highest achievers will receive both certificates and ribbons.

Visit our website www.etclassics.org for more information, including an exam syllabus and sample exam questions. In addition, a syllabus will be mailed to you upon receipt of your registration.
