

Concerned about the  
*problem?*

Be part of the  
*solution.*

Much has been said about the shortage of primary and secondary school teachers. This year the American Classical League, the American Philological Association, and various regional and state classical organizations are launching a cooperative venture, National Latin Teacher Recruitment Week, to engage all Classicists at all levels of instruction in the business of insuring that our Latin, Greek and Classics pre-college classrooms have the teachers they need. Join us Spring 2004 by taking one day to talk to your students about becoming a primary or secondary school teacher.
