National Latin Teacher Recruitment Week
always the first full week in March
www.promotelatin.org

Much has been said about the shortage of primary and secondary school teachers. The National Committee for Latin and Greek, the American Classical League, the Society for Classical Studies, and various regional and state classical organizations are promoting a cooperative venture, National Latin Teacher Recruitment Week, to engage all Classicists at all levels of instruction in the business of insuring that our Latin, Greek, and Classics pre-college classrooms have the teachers they need. Join us by taking one day to talk to your students about becoming a primary or secondary school teacher. For materials, information, and funding opportunities, please visit the NLTRW link at promotelatin.org.

The teacher shortage is a serious problem. Be part of the solution.

Believe that you can make a difference.
